

Spring Hike: March 10, 10 am – 5 pm

Backyard Birding Basics

Come out to the Preserve to learn what 4 things every backyard bird habitat should have. Plus find out how to attract & care for hummingbirds & bluebirds that are looking for habitat this month. Optional bagel birdfeeder craft activity for children 12 & under. Bird program presented at 10:30, 11:30, & 12:30 by Leisa Schmidt of Birdwatchers Supply in Dallas.

Trails are available for self-led or interpreted hikes all day, but please arrive no later than 4 pm to start trail.

Earth Day Hike: April 21, 10 am – 5 pm

Reduce, Reuse, Recycle

Learn how what you put in your trash (or not) affects the environment. Bartow County Master Gardeners will have a composting demonstration, including using nature's voracious composters, worms. The City of Cartersville will be on hand to sign you up for their curbside recycling or help you set up your own recycling system at home. Pettit Preserve & Keep Bartow Beautiful will help you tame the Bag Monster, who will be making a special appearance.

Trails are available for self-led or interpreted hikes all day, but please arrive no later than 4 pm to start trail.
